The procedure for exercising your right to inspect and review education records is as follows: schedule an appointment with the school principal to review records with an authorized member of the school staff.

The procedure for seeking amendment of education records is to submit a written request to the school principal identifying the part of the record you would like changed, and specify why you believe it is inaccurate, misleading, or in violation of the student's privacy or other rights.

MVSU has a policy of disclosing educational records to school officials with a legitimate educational interest without prior consent. A school official with a legitimate educational interest is defined as follows: "School official with a legitimate educational interest" means any teacher, administrator, other professional or service provider employed by or contracted with the district to provide educationally-related services (including, but not limited to, consultants, attorneys, auditors, insurers, evaluators, support staff, substitutes, assigned student teachers, interns, volunteers, teacher's aides), or school board members who need information relating to a particular student in order to carry out his/her official duties for the district. The MVSU schools forward education records to other agencies or institutions that have requested the records, and in which the student seeks or intends to enroll.
