

CODE: C32

EIGHTEEN-YEAR-OLD STUDENTS

Policy

Eighteen-year-old students are subject to all school policies, rules and standards. Except as provided in this policy, report cards, discipline reports, and other communications from the school will be provided to responsible parents or guardians of all students regardless of the age of those students.

Permission

Permission slips for participation in field trips or other school activities may be signed by eighteen year old students. Eighteen-year-old students may sign their own absence and late notes, but parents will be notified of absences and tardy incidents for their eighteen-year-old children on the same basis as other students, unless communications from the school are limited to the student only in accord with this policy.

Communications with Parents/Guardians

Students who are eighteen years old or older may request that, in a manner designated by the Superintendent, communications to their parents or guardians be provided to them as well. The school will comply with these requests.

Students who are eighteen years old or older may request that, in a manner designated by the Superintendent, all communications from the school be made to them and not to their parents. These requests will be granted by the Superintendent or his or her designee only when the student's responsible parents or guardians agree in writing, or when the student shows that he or she is not a dependent student as defined in section 152 of the Internal Revenue Code of 1954.

The maintenance and distribution of documents defined by the Family Educational Rights and Privacy Act of 1974 as student records will be governed by that Act and the regulations promulgated pursuant to that Act.

The Superintendent or his or her designee shall develop procedures where necessary to implement this policy.
